the implementation of their promise regarding that loan.

Sri K. R. SREEKANTESWAR (Bangalore City—General).—May I know if the Government of India are evading your request ?

The Hon'ble Sri K. T. BHASHYAM.—'Evading' is not the proper term.

Framing Rules for guidance of the Mysore Public Service Commission.

Q.—158. **Sri T. RAMACHAR** (Kolar District—General).—

Will the Government be pleased to state :—

whether any rules have been framed for the guidance of the Mysore Public Service Commission, and if so, a copy of the same may be given ?

A.—**The Hon'ble Sri H. SIDDAIYA** (Minister for Revenue and Excise).—

Rules of the Public Service Commission are under consideration.

ಶ್ರೀ ಟಿ. ರಾಮಾಚಾರ್ಯರವರು.—"ನಿಬಂಧನೆಗಳು ಇನ್ನೂ ಸರ್ಕಾರದ ಪರ್ಯಾಲೋಚನೆಯಲ್ಲಿವೆ." ಎಂದು ಉತ್ತರ ಕೊಟ್ಟಿದೆ. ಅವನ್ನು ರಚಿಸುವುದಕ್ಕೆ ಎಷ್ಟು ಕಾಲ ಆಗಬಹುದು ?

* ಮಾನ್ಯ ಶ್ರೀ ಎಚ್. ಸಿದ್ದಯ್ಯನವರು.—ಬಹಳ ಕಾಲ ಹಿಡಿಯುವುದಿಲ್ಲ

ಶ್ರೀ ಟಿ. ರಾಮಾಚಾರ್ಯರವರು.—ಇದುವರೆಗೆ ಪಬ್ಲಿಕ್ ಸರ್ವಿಸ್ ಕಮಿಷನ್ ನೇಮಕ ಮಾಡಿ ಕೆಲವು ತಿಂಗಳಾದುವು. ಈಗ ಯಾವ ನಿಬಂಧನೆಯ ಆಧಾರದ ಮೇಲೆ ಸರ್ಕಾರದ ಕೆಲಸ ಮಾಡುತ್ತಿದೆ ?

ಮಾನ್ಯ ಶ್ರೀ ಎಚ್. ಸಿದ್ದಯ್ಯನವರು.—ಈಗ ಕೆಲವು ನಿಬಂಧನೆಗಳಿವೆ. ಅವೇ ಬಹಳ ಮಟ್ಟಿಗೆ ಆಧಾರವಾಗಿವೆ.

ಶ್ರೀ ಟಿ. ರಾಮಾಚಾರ್ಯರವರು.—ಕೆಲವು ಅಂದರೆ ರೆಕ್ರೂಟ್‌ಮೆಂಟ್ ಬೋರ್ಡ್ ನಿಬಂಧನೆಗಳೇ ?

ಮಾನ್ಯ ಶ್ರೀ ಎಚ್. ಸಿದ್ದಯ್ಯನವರು.—ಅವೂ ಸ್ವಲ್ಪ ಮಟ್ಟಿಗಿವೆ.

ಶ್ರೀ ಟಿ. ರಾಮಾಚಾರ್ಯರವರು.—ಸ್ವಲ್ಪ ಮಟ್ಟಿಗೆ ಅಂದರೆ ಮಾತ್ಯಾವ ಕಾನೂನಿದೆ ?

The Hon'ble Sri H. SIDDAIYA.—Along with rules, merit also.

Sri M. GOVINDA REDDY (Chitaldrug District—General).—Are the rules framed by the Public Service Commission or by the Government ?

The Hon'ble Sri H. SIDDAIYA.—They are being framed by both the Government and the Public Service Commission.

Sri M. GOVINDA REDDY.—When will it be completed ?

The Hon'ble Sri H. SIDDAIYA.—As I said already, it will not take much time.

Sri B. HUTCHE GOWDA (Tumkur District—General).—Will it be finished before January 1952 ?

The Hon'ble Sri H. SIDDAIYA.—I cannot give the exact date to the Hon'ble Member.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು (ಮೈಸೂರು ಜಿಲ್ಲೆ—ನಿಮ್ಮ ಪಂಗಡ).—ನಿಬಂಧನೆಗಳ ಕರಡು ಪ್ರತಿ ತಯಾರಾಗಿದೆಯೆ ?

ಮಾನ್ಯ ಶ್ರೀ ಎಚ್. ಸಿದ್ದಯ್ಯನವರು —ಆಗಿದೆ.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು.—ಯಾವ ಆಧಾರದ ಮೇಲೆ ಅದನ್ನು ತಯಾರು ಮಾಡರಾಗಿದೆ ?

ಮಾನ್ಯ ಶ್ರೀ ಎಚ್. ಸಿದ್ದಯ್ಯನವರು.—ಅದನ್ನು ಈಗಲೇ ನಿರ್ದಿಷ್ಟವಾಗಿ ಹೇಳುವುದಕ್ಕೆ ಸಾಧ್ಯವಿಲ್ಲ.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು.—ರಾಜ್ಯಾಂಗದಲ್ಲಿ ಸರ್ವಿಸ್‌ನಲ್ಲಿ ಸಾಕಷ್ಟು ಪ್ರಾತಿನಿಧ್ಯವಿಲ್ಲದಿರುವ ಹಿಂದುಳಿದ ಪಂಗಡಗಳವರಿಗೆ ಶಕ್ತಿಯ್ತು. ಪ್ರೋತ್ಸಾಹ ಸರ್ಕಾರ ಕೊಡಬೇಕೆಂದಿದೆ. ಅದು ಸರ್ಕಾರದ ಗಮನದಲ್ಲಿದೆಯೆ ?

ಮಾನ್ಯ ಶ್ರೀ ಎಚ್. ಸಿದ್ದಯ್ಯನವರು.—ಇದೆ.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು.—ಹಾಗಾದರೆ ಶೇಕಡಾವಾರು ಎಷ್ಟು ನಗದು ಮಾಡಬೇಕೆಂದು ಕಾನೂನಲ್ಲಿ ಹೇಳಿದೆ ?

The Hon'ble Sri H. SIDDAIYA.—It is under consideration.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು.—ಇನ್ನೂ ಯೋಚನೆ ಮಾಡಿಲ್ಲವೆ ?

ಮಾನ್ಯ ಶ್ರೀ ಎಚ್. ಸಿದ್ದಯ್ಯನವರು.—ಅದನ್ನೇ ಹೇಳಿರುವುದು. ಅದರ ಜೊತೆಗೆ ಇನ್ನೂ ಅನೇಕ ವಿಚಾರಗಳು ಆರೋಚನೆಯಲ್ಲವೆ.

Steps taken to avert critical Food situation.

Q.—202. **Janab SYED ABDUR RAHMAN** (Chikmagalur *cum* Shimoga—Muslim).—

Will the Government be pleased to state :—

(*a*) the steps they have taken to step up production of foodgrains in the State ;

(*b*) the results achieved so far ;

(*c*) the districts that are affected by the failure of the monsoon ;

(*d*) the approximate percentage of foodgrains expected from each district as forecast by the Deputy Commissioner of each district ;

(*e*) In view of the critical food situation, what steps they have taken in the matter ?

A.—**The Hon'ble Sri T. MARIAPPA** (Home Minister).—

(*a*) A three-year plan to grow more food was drawn up and the several schemes are being executed accordingly.

(*b*) During 1949-50 and 1950-51 an additional production of 43,440 tons and 67,875 tons of foodgrains respectively was realised as a result of the execution of the plan referred to in (*a*).

(*c*) The general failure of the monsoon has affected all the districts in varying degrees.

(*d*) Forecasts of production are made only towards the end of October and it is therefore too early to furnish any estimate at this stage.

(*e*) Action is already taken immediately to increase the supplies of foodgrains to meet the additional requirements in the affected areas. The difficult food position in the State has at the same time been brought to the notice of the Central Government and the allotment of foodgrains to the State for the current month got raised from 12,000 to 20,230 tons. Increased allotments for the next two months till the end of December 1951 are also being arranged to be obtained from the Centre in time to maintain adequate supplies in all areas for the rest of the year.

Janab SYED ABDUR RAHMAN.— What is the three-year plan referred to in the answer ?

The Hon'ble Sri T. MARIAPPA.— Copies of the plan have already been distributed to the Hon'ble Members.

Janab SYED ABDUR RAHMAN.— Since the Government have referred to the plan in their answers, will they kindly tell me what the financial implication of the three-year plan is ?

The Hon'ble Sri T. MARIAPPA.— The plan as such costs about Rs. 9 crores.

Janab SYED ABDUR RAHMAN.— It is stated in the answer that there are certain schemes relating to the three-year plan. May I know what those schemes are ?

The Hon'ble Sri T. MARIAPPA.— I want notice for that. They come under various heads like works schemes, supply schemes and service schemes, etc.

Janab SYED ABDUR RAHMAN.— Has the three-year plan referred to here been executed fully ?

The Hon'ble Sri T. MARIAPPA.— No. In fact the plan is in operation only since 1949-50. Two years only have elapsed. We are now in the third year.

Janab SYED ABDUR RAHMAN.— It is stated that during 1949-50 and 1950-51 an additional production of 43,440 tons and 67,875 tons of foodgrains respectively was realised. May I know the cost involved for this extra production ?

The Hon'ble Sri T. MARIAPPA.— Notice. With regard to the scheme of 1949-50, I have already answered it in connection with a different question. I am sorry I have not got the figures now. We have spent money on every scheme and as a result of those schemes there has been an additional production of 43,440 tons during 1949-50 and 67,875 tons during 1950-51.

Janab SYED ABDUR RAHMAN.—If what exactly was spent about them had been known we would have been able to know exactly how much more was required as additional amount. Can you at least give us a rough estimate ?

The Hon'ble Sri T. MARIAPPA.— Notice.

Janab SYED ABDUR RAHMAN.—In answer to clause (*c*) it is stated that the allotment of foodgrains to the State for the current month was got raised from 12,000 tons to 20,230 tons. What is the cost involved by this extra quantity of foodgrains ?

The Hon'ble Sri T. MARIAPPA.— I want notice, with regard to the cost. It depends upon so many factors, like full supplies, the price in the country from which it is imported, etc. We cannot give the actual cost unless we receive the supplies.

Janab SYED ABDUR RAHMAN.— With reference to answer to clause (*c*), may I know which districts are greatly affected on account of general failure of the monsoon ?

The Hon'ble Sri T. MARIAPPA.—Kolar, Tumkur and Chitaldrug Districts.

Janab SYED ABDUR RAHMAN.—With reference to answer to (*d*) that forecasts of production are made only towards the end of October, since we are in November now, are the Government in a position to give us the figures ?

The Hon'ble Sri T. MARIAPPA.—Since this question was put earlier we had not received the final reports. We already met in the later part of October, in Mysore. They have promised to send us the figures. They are hesitating to have any forecasts because seasonal conditions are very unfavourable. Unless the rains set in and the withering crops show signs of revival, we cannot have the figures.

Sri M. GOVINDA REDDY (Chitaldrug District—General).—With reference to the answer to (*b*), am I to understand that by the time the plan is fully implemented, production will be stepped up by three times ?

The Hon'ble Sri T. MARIAPPA.—My Hon'ble friend makes a mistake by adding up. In 1949-50 the conditions being what they were, the estimated extra production was 43,440 tons; during 1950-51 the extra production was 67,875 tons; during 1951-52 practically this is wiped off. Seasonal conditions being abnormal we have been in deficit in most of the districts. Therefore if it is merely a question of adding up and finally expecting returns, it is not so. It depends upon various factors.

Sri M. GOVINDA REDDY.—My point is whether after the completion of the three-year plan, the production will be stepped up by at least the deficit quantity ?

The Hon'ble Sri T. MARIAPPA.—No, sir. In fact our object was to plan for the requirement of a population of 80 lakhs. Now, according to the recent Census, the population is 90 lakhs. Therefore we have to revise our plans. But the existing plans are being implemented with the Government of India grant. Therefore it is not possible to wipe off the entire deficit by merely implementing this plan. We have to further spend more money and spread over the implementation for further three years. That is the reason why the five-year plan has been drawn up.

Sri M. GOVINDA REDDY.—To what extent we can wipe off the deficit ?

The Hon'ble Sri T. MARIAPPA.—To the extent of nearly sixty per cent we can wipe off the deficit provided the seasonal conditions are normal.

Sri H. M. CHANNABASAPPA (Mysore District—General).—Shall I take it that in 1949-50 the increased production realised is to the extent of 43,440 tons ?

The Hon'ble Sri T. MARIAPPA.—Yes, that is the estimate of the extra production.

Sri H. M. CHANNABASAPPA.—I would like to know whether it is merely the estimate or whether Government have realised to that extent ?

The Hon'ble Sri T. MARIAPPA.—The estimate has resulted in the extra procurement being realised.

Sri H. M. CHANNABASAPPA.—Shall I take it that in 1950-51 the procurement was greater than in 1949-50 and that there is improvement ?

The Hon'ble Sri T. MARIAPPA.—Yes, a little more.

Sri H. M. CHANNABASAPPA.—Are the Government aware that during 1949-50 procurement was less by three lakhs of pallas than in 1950-51 ?

The Hon'ble Sri T. MARIAPPA.—Yes, that is the reason why in 1950-51 the procurement is more. In 1949-50 the procurement was less. Therefore it is reflected in better production in 1950-51.

Sri H. M. CHANNABASAPPA—How do the Government account for the procurement in 1949-50 being less than in 1950-51 ?

The Hon'ble Sri T. MARIAPPA.—In fact in 1949-50 there was very good procurement when compared to the previous year. Previous to 1949-50, the year of Grow More Food Campaign, the extra production was practically nil. We began our Grow More Food operations in 1949-50. Therefore by improving channels, very good results were achieved. Tanks also were fed with water.

ಶ್ರೀ ಎಂ. ಎಲ್. ನಂಜುಂಡಾಜ ಅರಸಿನವರು (ಮೈಸೂರು ಜಿಲ್ಲೆ).—

ಪ್ರೊಕ್ಯೂರ್‌ಮೆಂಟ್ ಕಮ್ಮಿ ಆದದ್ದು, ಡೀಕಂ ಚ್ರೋಲ್ ಮಾಡಿದ್ದರಿಂದ ಅಲ್ಲವೇ?

The Hon'ble Sri T. MARIAPPA.—Yes. That was why there was a sudden drop.

Piece-work System of works execution in P.W.D. and Local Bodies.

Q.—236. Sri T. HANUMIAH (Chitaldrug District—Depressed Class).—Will the Government be pleased to state :—

(*a*) whether it will not be practicable to introduce the piece-work system of execution of works in the Public Works Department and Local Bodies ;

(*b*) whether the anomaly existing in the present system of contract of works in these Departments has come to the notice of the Government ;

(*c*) whether a labourer will not get lower remuneration in this system ?

A.—The Hon'ble Sri T. MARIAPPA (Home Minister).—

(*a*) The piece-work system of execution of works is already in vogue in the Public Works Department and it is being adopted now on a large scale in the case of irrigation works. This system is not practicable in the case of Building, Sanitary and Water Supply Works.

(*b*) There is no anomaly in the contract system of execution of works. This is one of the recognised methods of executing public works, obtaining competitive rates with a view to get works done economically.

(*c*) Labour will be employed either by contractor or a piece worker. It is all the same who pays. The labourer will get his wages.

ಶ್ರೀ ಟಿ. ಹನುಮಯ್ಯನವರು.—(a) ಪ್ರಶ್ನೆಗೆ ಉತ್ತರ ಏನಾಗಿ "The piece work system of execution of works is already in vogue in the Public Works Department and it is being adopted now on a large scale in the case of Irrigation works. This system is not practicable in the case of Building, Sanitary and Water Supply works" ಎಂದು ಹೇಳಿದ್ದೀರಿ. Building, Sanitary and Water Supply Works ಬಿಟ್ಟು ಇತರ ಬಾಬುಗಳಲ್ಲಿ ಎಂದರೆ Road works ನಲ್ಲಿ ಆ ರೀತಿ ಮಾಡುವುದಕ್ಕಾಗುವುದಿಲ್ಲವೇ?

ಮಾನ್ಯ ಶ್ರೀ ಟಿ. ಮರಿಯಪ್ಪನವರು.—ಮಾಡಬಹುದು. ಆದರೆ ಬಾಕಿ ಕಡೆಯಲ್ಲಿ ಕಾಂಪಿಟೇಟೀವ್ ರೇಟ್ಸ್ ಬರುತ್ತದೆ ಎಂದು ಹೇಳಿ ನಾವು ಸಾಮಾನ್ಯವಾಗಿ ಇರಿಗೇಶನ್ ವರ್ಕ್ಸ್ ಜಾಗ್ರತೆಯಾಗಿ ಆಗಬೇಕೆಂದು ಪೀಸ್‌ವರ್ಕ್ ಕೊಡುತ್ತೇವೆ. ಬಿಲ್ಡಿಂಗ್ಸ್, ರೋಡ್ಸ್ ಇವಕ್ಕೆಲ್ಲಾ ಟೆಂಡರ್ ಕೇಳುತ್ತೇವೆ. ಕಾ ಪಿಟೇಟೀನ್ ರೇಟ್ಸ್ ಬರುತ್ತದೆ. ಅದರ ಮೇಲೆ ಗೊತ್ತು ಮಾಡುತ್ತೇವೆ.

ಶ್ರೀ ಟಿ. ಹನುಮಯ್ಯನವರು.—ಕಾಂಪಿಟೇಟೀವ್ ರೇಟ್ಸ್ ಬಂದರೆ ಅಡ್ವಾಂಟೇಜ್ ಅಲ್ಲವೇ?

ಮಾನ್ಯ ಶ್ರೀ ಟಿ. ಮರಿಯಪ್ಪನವರು.—ಹೌದು.

ಶ್ರೀ ಟಿ. ಹನುಮಯ್ಯನವರು.—ಆದರೆ ಪೀಸ್ ವರ್ಕ್ಸ್ ಕೊಡುವುದರಿಂದ ಕೂಲಿಗಾರರಿಗೆ ನಿಜವಾಗಿಯೂ ಕೂಲಿ ಕೆಲಸ ಸಿಕ್ಕುತ್ತದೆ ಎಂಬುದು ಸರ್ಕಾರದವರ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ?

ಮಾನ್ಯ ಶ್ರೀ ಟಿ. ಮರಿಯಪ್ಪನವರು.—ಹೌದು ಪೀಸ್‌ವರ್ಕ್ಸ್ ಕೊಟ್ಟಲ್ಲಿ ಅನೇಕರಿಗೆ ಕೂಲಿ ಕೆಲಸ ಸಿಕ್ಕುತ್ತದೆ.

ಶ್ರೀ ಟಿ ಹನುಮಯ್ಯನವರು.—ಆದ್ದರಿಂದ ರಸ್ತೆ ಕೆಲಸ ಮಾಡುವುದಕ್ಕೂ ಸಹ ಪೀಸ್‌ವರ್ಕ್ಸ್ ಕೊಡುವುದರಿಂದ ಕೂಲಿ ಮಾಡತಕ್ಕವರಿಗೆ ಕೆಲಸ ಸಿಕ್ಕುತ್ತದೆ. ಮುಂದಾದರೂ ಈ ಪದ್ಧತಿಯನ್ನು ಜಾರಿ ಮಾಡುತ್ತೀರಾ?

ಮಾನ್ಯ ಶ್ರೀ ಟಿ. ಮರಿಯಪ್ಪನವರು.—ಆಲೋಚನೆ ಮಾಡಬೇಕು. ಏಕೆಂದರೆ ಸಾಮಾನ್ಯವಾಗಿ ನಮಗೆ ಬಿಲ್ಡಿಂಗ್ ಮತ್ತು ಬಾಕಿ ಕೆಲಸಗಳಿಗೆ ಟೆಂಡರ್ ಸಿಸ್ಟಂ ಒಳ್ಳೆಯದು ಎಂಬುದಾಗಿ ತಿಳಿದುಬಂದಿದೆ. ಈಗ ತಾವು ಹೇಳಿರುವುದನ್ನು ಮನಸ್ಸಿನಲ್ಲಿಟ್ಟುಕೊಳ್ಳುತ್ತೇವೆ.

ಶ್ರೀ ಟಿ. ಹನುಮಯ್ಯನವರು.—ಬಿಲ್ಡಿಂಗ್‌ಗೆ ಹೋಗಲಿ, ರಸ್ತೆ ಕಾಂಗಾರಿ ಮಾಡುವುದಕ್ಕಾದರೂ ಪೀಸ್ ವರ್ಕ್ಸ್ ಸಿಸ್ಟಂ ಜಾರಿ ಮಾಡುತ್ತೀರಾ? ಒಂದು ಫರ್ಲಾಂಗ್, ಎರಡು ಫರ್ಲಾಂಗ್ ಈ ರೀತಿ ಮಾಡಿದರೆ ಅನೇಕರಿಗೆ ಕೂಲಿ ಸಿಕ್ಕುತ್ತಿದೆ.

ಮಾನ್ಯ ಶ್ರೀ ಟಿ. ಮರಿಯಪ್ಪನವರು.—ಒಂದು ಫರ್ಲಾಂಗ್, 2 ಫರ್ಲಾಂಗ್ ಪೀಸ್‌ವರ್ಕ್ಸ್ ಕೊಡುವುದಕ್ಕೆ ತೊಂದರೆ ಇಲ್ಲ.

We will have to examine.

Sri M. GOVINDA REDDY (Chitaldrug District—General).—Is it not a fact that there will be considerable difference in cost between tender acceptance and piece-work contracts ?

The Hon'ble Sri T. MARIAPPA.—It depends upon each case. In no two cases conditions are similar.

Sri M. GOVINDA REDDY.—What has been the experience so far ?

The Hon'ble Sri T. MARIAPPA.—In some cases tender rates are very advantageous. In some cases high rates are quoted perhaps because labour is not available there and contractors are not coming forward. In some cases tender rates are more
